

SPONSORSHIP *proposal*

Dear Community Partner,

Every family deserves to thrive, and across our region, families are working every day to create healthy beginnings. Yet, persistent inequities in care and access remind us why this work, and our collective investment in it, remain so vital.

At Healthy Start, we work to amplify that strength and ensure every family's story includes access, dignity, and opportunity. Our programs intentionally center the voices and lived experiences of Black women, who continue to experience the highest maternal and infant health disparities in our community. Together with partners, families, and advocates, we build programs and partnerships that elevate community leadership, strengthen systems of care, and expand access to resources that improve maternal and child health, decrease infant mortality, and advance health equity.

We invite you to walk beside us in this work. The following sponsorship opportunities outline how your organization can make a year-round impact through partnership. Whether you contribute at a designated level or customize your engagement, your support helps families across Pittsburgh not only survive but truly thrive. Together, we can build a future where every mother, baby, and family is supported, seen, and celebrated, because when families thrive, communities flourish.

2026 Annual Events

Healthy Start Annual Legislative Breakfast

MARCH 20, 2026

Our 6th Annual Legislative Breakfast, hosted by our community consortium, features a timely keynote address, stories from Healthy Start participants, and panels of lawmakers, policy professionals, community members, and healthcare providers. Together, we explore the state of maternal and child health and the policies that shape it.

Perfect for organizations seeking nonpartisan opportunities to learn how policy influences everyday life.

Healthy Start Annual Education Symposium

MAY 2026

Healthy Start's Education Symposium brings together healthcare and public health professionals, social workers, mental health practitioners, invested community members and other stakeholders to explore cutting-edge maternal and child health practices and address root causes of issues like infant mortality, chronic disease and how social determinants of health shape our outcomes. Through learning, dialogue, and collaboration, we drive systems change and inspire new approaches to community care. CEUs available.

Great for connecting with others in a safe, purposeful space to create collective impact.

Healthy Start Annual Cookout

JULY 2026

Our annual cookout brings together Healthy Start participants, families, and community partners for a day of food, games, and connection. With activities for kids, local resources, and plenty of fun, this free community event is a joyful way to celebrate families and the community we serve.

Great for meeting families where they are, joyfully and together.

Black Breastfeeding Week featuring the Healthy Start Breast Friend Brunch

AUGUST 22, 2026

Hosted by Healthy Start's Center for Urban Breastfeeding, which provides lactation support, education, and outreach to Black women in Allegheny County, this annual celebration uplifts Black mothers and birth workers through connection, education, and joy. The Brunch offers space to share stories, play games, and honor the sacred experience of motherhood with Black mamas and Black birth workers, over good food and great company.

Great for supporting moms and ensuring every baby has a healthy start.

Healthy Start Summer Soirée

AUGUST 2026

A new addition to our annual calendar, the Summer Soirée is a free, feel-good fundraiser bringing together supporters, partners, and friends for an evening of connection and celebration. This casual gathering will spotlight Healthy Start's mission and impact while building new relationships to carry our work forward.

Perfect for celebrating our mission and the power of community connection.

Healthy Start Mission

Healthy Start's mission is to improve maternal and child health and to reduce poor birth outcomes and infant mortality.

Your sponsorship fuels our vision of Healthy Communities, Healthy Families, Healthy Babies, Healthy Start. Thank you for helping us carry that vision forward.

Our Partnership, Your Way

In partnership with our sponsors, Healthy Start cultivates community engagement that is holistic, heartfelt, and rooted in equity, from public health education to culturally relevant birthing services and joyful family celebrations. Annual sponsorship provides comprehensive support and visibility across the events below; however, we're always open to creating something unique together.
